

YEEES ***Young Energy Engineers and Economists Seminar***

**19th and 20th September
2008**
Madrid Autumn Session

Location

Institute for Research in Technology (IIT),
Pontificia Comillas University
Santa Cruz de Marcenado 26
28015 Madrid

Organization of the YEEES

Rules
of the
game!

- Deadline for papers and inscriptions: **1st September 2008**
- Procedure:
 - Presentation of paper (20')
 - 2 referees (possibly one PhD student & one post-doc) will make a report on each paper (15' each)
 - General discussion (10')
- Cross-border exchanges between economics & engineering will be encouraged!

YEEES Program structure

Friday 19th

	Speaker	Junior	Senior
8h45	Welcome and Coffee		
9h-10h	Yannick Perez (GRJM): The diversity of design of TSOs	Nico Keyaertsa (KU Leuven)	Michel Rivier (IIT)
10h-11h	Cedric De Jonghe (KU Leuven): Improving the support of renewable energy in the internal electricity market	Adrien de Hautecl ocque (GRJM)	Clodomiro Unsihua y/Luis Olmos (IIT)
Break			
11h15-12h15	Stijn Cole (KU Leuven): Voltage Stability in Power Systems with VSC HVDC Connections	Lukas Sigrist (IIT)	Aurelio García (IIT)
12h15-13h15	Kristin Dietrich (IIT): Will the Market Get it Right? The Placing of New Power Plants in Germany	Michelle Hallack (GRJM)	Marcelo Saguan (GRJM)
Lunch at ICAI			
14h45-15h45	Florian Leuthold (EE2): Real Options and an Application to Power Plant Portfolio Development in Germany	Gerd Küpper (KU Leuven)	Julián Barquín (IIT)
Break			
16h-17h	Christian Redl (EEG): Price formation in electricity forward markets and the relevance of systematic forecast errors	Cedric de Jonghe (KU Leuven)	Julián Barquín (IIT)
17h-18h	Miguel Vázquez (IIT): Price evolution in	Florian Leuthold (EE2)	Stijn Cole (KU Leuven)

Saturday 20th

	Speaker	Junior	Senior
9h-10h	Adrien de Hautecl ocque (GRJM): Regulatory Uncertainty and Inefficiency for the Development of Merchant Lines in Europe	Natalie Glueck (EEG)	Luis Olmos (IIT)
10h-11h	Nico Keyaertsa (KU Leuven): The Value of Flexibility Relative to Balancing Design	Michelle Hallack (GRJM)	Miguel Vázquez (IIT)
Break			
11h15-12h15	Marcelo Saguan (GRJM): Optimal Wind Power Deployment in Europe - a Portfolio Approach	Christina Redl (EEG)	Florian Leuthold (EE2)
12h15-13h15	Gerd Küpper (KU Leuven): Increasing competition in the Belgian electricity market. Does more international transmission capacity help?	Kristin Dietrich (IIT)	Yannick Perez (GRJM)

Go to Madrid. Get to **Arguelles station** with Underground lines **3, 4 or 6** and take **exit Alberto Aguilera (line 3 & 6) or exit Guzmán el Bueno (line 4)**. When you come up to the street-level, you will see a big department Store –El Corte Ingles- just on the other side of the street (Alberto Aguilera). You must get to the pavement in the street where the shopping mall is located and follow the street heading east (=looking at the shopping mall to your left) till the next corner (Calle de Serrano Jover), cross this street get right and at the next corner, where the restaurant “El Compostela” is located, get left and keep going until getting to the IIT in Calle Santa Cruz de Marcenado, 26.
