

YEEES YOUNG ENERGY ECONOMISTS AND ENGINEERS SEMINAR | YEEES

On site – Florence School of Regulation, Villa Schifanoia

April 16th - 17th 2026

The Florence School of regulation is pleased to host the 37th Young Energy Economists and Engineers Seminar (YEEES).

The seminar will take place on April 16th -17th at the Florence School of Regulation, Villa Schifanoia. Each day will start with a session in Sala Europa, followed by parallel sessions in Sala Europa and Sala Triaria.

Every presenter will benefit from two reviews: a junior review from another presenting PhD student, as well as a senior review. We advise the authors to present their work for 20 minutes, leaving 5 for both junior and senior reviewers. The final 15 minutes are dedicated to Q&As.

Rooms:

- Sala Europa (Sessions 1, and parallel Sessions 2a and 3a)
- Sala Triaria (parallel Sessions 2b and 3b)

Additionally, the Florence School of Regulation organizes a free **guided tour** after the first day of presentations. It will be followed by a conference dinner at the **B-roof restaurant at 19:30.**

Note: Registration in advance (through a link sent by email) is necessary to join the conference dinner.
